

PEACHTREE LIGHTING

Aspen

The Peachtree Lighting Aspen Collection blends well with today's high-end hospitality and corporate decor. The family consists of Pendant Mount and Surface Mount Bowls along with a matching Quarter Sphere Sconce.

This unique collection of materials is mated with the very latest energy efficient lamp technologies to make a strong visual statement. Your fixture is custom built to your specifications, achieving the visual impact you desire while meeting today's stricter energy codes and illuminating standards. This collection is designed for ADA compliance.
